Agreement between Argentina and Paraguay on migrant private household workers

The Argentine Tripartite Commission on Equality of Opportunities (CTIO by its Spanish acronym), from the Labour Ministry (MTEySS), signed today an agreement with Paraguay’s Tripartite Commission on Equality of Opportunities (CTIO) to articulate and strengthen joint actions. It was signed by the Minister Tomada, Argentina’s CTIO President, Olga Hammar; Paraguay’s CTIO Coordinator, María Elena Santero; and María Elena Valenzuela from the ILO, during the CTIO plenary meeting.

On this occasion, it was agreed to follow up the ILO “Global Action Programme about Migrant Domestic Workers,” and to collaborate in its implementation as well. Both commissions undertook to play a role of supervision and dissemination of the activities to be developed along this migratory corridor.
